Craig's No.1 at 24

Sold for \$720,000 (Sep 21, 2018)

Romance and ambience capped off with attention to detail is what you will see and feel once you step foot into this well presented property. Upon entering the home, you will notice the picture perfect framed walls leading you into the open living, dining and kitchen, comforted by a central gas flamed heater and dimmed designer lighting setting the tone for that relaxed atmosphere. On one side you have large windows that provide a picturesque view of the beautiful landscaped garden and a peaceful retreat area and on the other side you have a balcony that overlooks your surroundings. The ground floor offers the convenience of a double garage that leads you directly into the property, a spacious room that gives you the option of utilising it either as 4th bedroom, home office or personal gym with a powder room to compliment it and a laundry with ample storage space. The top floor comes with 3 individual styled bedrooms all with BIR's with the main having its own en suite and a balcony with amazing views including that of our marvellous Melbourne city. A fully equipped central bathroom and a rear balcony completes the upstairs living. Located well within the Keilor East high end, you definitely will not walk away disappointed once you have inspected and experienced this property or you may not even walk away from it at all.
