The health, safety and wellbeing of our clients, suppliers and staff remain at the centre of all we do. As such, all team members will be observing all government measures and orders, with a focus on strict hygiene and safe distancing as they take care of all your real estate needs.

To prevent the spread and exposure, we have implemented the following practices:

- Private inspections and appointments only
- A 2 person meeting limit – this means you and your agent only
- All agents, suppliers and visitors are required to complete a simple screening questionnaire
- Limiting personal contact. We're not shaking hands but we still want to say hello!
- Providing/requiring hand sanitisation before entering properties
- Requiring prospective purchasers/tenants not to touch anything when visiting a property
