A well cared for home with beautiful gardens could be all yours. The best thing about this property is the quiet location. Bordering the township and cane paddocks, the home delivers benefits that are not commonly available.

The high set home provides two bedrooms, office, quality kitchen and a bathroom on each level of the home. There is also a large lockable storeroom presenting valuable space that most people desire. Ample vehicle storage is available with a three bay carport and one fully lockable garage.

The current owners have clearly shown their love of gardening with a beautiful lush tropical surrounding. The yard is watered via underground sprinkler system fed by a submersible pump.
