Private inspections are now permitted for metropolitan Melbourne. To arrange a Private Inspection, please contact the agent to book your private appointment.

We'll be adhering to the highest safety precautions. If you are attending a private inspection, you must wear a face mask and adhere to strict social distancing measures of 1 person per 4 square metres. All visitors must confirm that they are not ill and have not been in contact with someone who has contracted COVID-19 in the last 14 days.

Please note that our agents have the right to refuse entry to any property during a private inspection if any visitors are presenting with physical symptoms or are not wearing a face mask.

We look forward to taking you through in safety.
