Raine&Horne

Raine&Horne

8 Lakeshore Ave, Kingfisher Shores

Sold

Perfect home to settle down in. This coastal three bedroom brick home has been freshly painted and new floating floors throughout living areas. Situated opposite the lake, you can feel the gentle lake breezes, there are some views of the lake, but best of all is how close you are to the lakes edge where you can enjoy everything Lake Macquarie has to offer, fishing, boating, sailing, canoeing, whatever watersport your heart desires.

Situated in a quieter part of town with lots of trees, the feeling of being back to nature is well preserved in this beautiful suburb. Hardly a car goes by, a truly family friendly location.

For all the seclusion this location has, it is only moments away from the shopping Centre, highways, freeways and everything you need in this modern world.
