- Large below ground pool
- Large Gable Patio area
- Evaporative air con
- Security shutters
- Solar panels
- Garden with low maintenance

A visit to the local pool can be very costly with lunch and refreshments.

Nice to cool off with a swim but by the time you arrive home your just as hot as when you first left.

Stay home and invite family and friends to splash around in your own salt water pool.

The pool is security gated and there is also a patio for the adults who would rather call around for a barbecue.

Forget about the old gas bottle there is a gas connection inbuilt outside the house.

No need for your visitors to park outside on the verge risking a parking ticket this home has room for parking at least six cars.

A double garage located at the rear of the home also has access from the front.

Both secondary and primary schools are so close you could join your children for lunch.

The local shopping center is a five minute drive or a fifteen minute walk.

After reading about this home you will read for yourself how convenient the location is, what the home has to offer.

Built 1980,

Double brick and tile home.

684 sq metres.

Call me for that private viewing you will not be disappointed.
