Here is a Good Starter Home!

Sold

Next to a children's playground is this 4 bedroom starter home.

Externally it boasts vinyl clad walls, aluminium framed windows and a "colorbond" roof.

Internally, there is a sunny, open plan living room with cedar feature walls. It is served by the kitchen with pine cupboards, electric stove and serving bench.

A renovated bathroom features colonial styled tiles, a shower over the bath, W.C and a laundry space.

The four bedrooms include 2 with built in robes (one large bedroom could be an office or study).

Other features include; natural gas heating and hot water, electric cooling system, insulation in the ceiling, ceiling fan and a spot light outside.

Transport – The school bus and town service bus stop close by.

A playground is right next door.

Comment – The exterior is almost maintenance free. The interior could do with some new "touches". Four bedroom homes are a rarity in this price range.
