

## DEVINE INTERVENTION

1

1

## 35-37 Cowra Street, Gooloogong Via, Cowra

Sold

Set in the village of Gooloogong this really solid quaint brick church, would make a unique home for a renovator looking for a project. The pitched corrugated iron roof and large open space in the gathering area lends itself to a very good conversion. The beautiful stained glass windows remain intact and are a special feature of the property. Already having a toilet system and kitchen makes this easier than most of these types of projects. The very large flat block of land of 2,000 sq m will allow plenty of room for an extension. This opportunity is set in the center of a lovely traditional village on the edge of the Lachlan River in a growing area.

Property ID: L958596

Property Type: House

Land Area: 2000.0 sqm
