LUXURY HOME

This master built home in North Cowra presents extremely well. Four big bedrooms, ensuite and walk in wardrobe, lounge room, dining room off the beautifully appointed kitchen plus a sun-drenched second living area. Outside there is a wonderful entertaining area to host BBQ's and family functions. The whole property has lovely established gardens with an irrigation system. The double garage has two electric roller doors plus a rear roller door to access the backyard. There is nothing to be done to this lovely family home in a very sort after area of Cowra.
