29 Denham Street, Bondi

Auctioned

A Bondi beauty exuding a tranquil allure, this 2-bedroom semi is a brilliant blend of period features and modern finishes, all adding up to a simply superb family home, a short walk to Bondi Beach. Presenting to the street in a gorgeous fashion, its 1911 Federation style offers a sweet period grace with well-tended front garden and sunny porch heralding a uniquely stylish haven, poised for a new chapter in its long history.

Tenderly cared for by the same owners for 25 years, it is in excellent condition, period arches, high ceilings and original hardwood floors framing a sunny home of huge appeal. Upon entry, the eye is drawn to the wide hallway, off which lies the main living area, looking out to the street. The main bedroom is a peaceful space, the home then flowing to a large renovated bathroom and on to a generous eat-in kitchen, with the 2nd bedroom in a fine quiet position at rear.

An excellent family home or ideal residence for a professional couple, this unique residence is a full of charm in a delightfully quiet yet central position, with some scope for an updated personal touch. With the inclusion of a grassed backyard that gets plenty of sun and private front carspace, it is homely haven in a hugely popular neighbourhood. The sands of Bondi are just minutes away whilst the cafes, bars and eateries of Bondi Rd are within an easy walk, making it a true must-see for those seeking a fine Bondi home.
