Massive House-Like 4-Bed Apartment In Prime Bondi Address

Extraordinarily spacious and private, this rare 4-bedroom apartment has house-like proportions and a light-filled atmosphere enhanced by a total of 3 private balconies. Facing NE and positioned in an idyllic Bondi location, a quick walk to the beach and minutes to buzzing Bondi Rd eateries, it boasts only one common wall and is blessed with a serene coastal ambience, a leafy outlook and double lock-up garage among many highlights.

Set in a well-maintained block, the home has an elevated position yet features near-level access, the internal space highlighted by a spacious open plan living and dining area, facing NE and opening to a sheltered balcony. The 4 bedrooms are each generous spaces, the master with walk-through robe and en-suite, with 3 featuring direct balcony access. The huge eat-in kitchen meanwhile is a tremendous space, with the main bathroom showcasing a full spa-style bath and separate shower, all adding up to a home of exceptional pedigree.

Castlefield Street is highly regarded for its convenience to all the lifestyle aspects Bondi has to offer. Its proximity to the beach is an undoubted feature, while its ease of access to Hall St and to Bondi Rd, with simple connection to Bondi Junction, makes it a super-handly address from which to enjoy the best of the suburb. Lovely as-is but with exciting scope for an astute touch to transform into a personal haven, the coming-to-market of such a 4-bedroom residence represents a landmark opportunity in a prized neighbourhood.
