QUALITY MEETS THE MARKET

INSPECTION IS A MUST FOR THIS TENANTED INVESTMENT PROPERTY.

Whether you are looking for a forever home or an affordable investment property this won't disappoint.

Quality meets the market and all offers have been instructed to be presented.

Situated in a quiet area of Eli Waters this 4 bedroom home offers side access, fenced back yard ready for that shed or pool or both, covered entertainment area that flows from the second living area just perfect for entertaining family or friends.

There are built in cupboards and fans everywhere, AC to master and living area, modern bathrooms, open and functional kitchen, light bright and open is the description.

Not every room has been photographed and this is a must to be inspected.

call today to book a private inspection.
