473 O'Regan Creek Rd, Toogoom

Sold

This beachfront home in the popular seaside village of Toogoom needs to be seen to be fully appreciated. Winner of two building awards in 1998 for "Best regional contract home" & "Most innovative use of glass" the home features two bedrooms on the lower level + a third bedroom or large office. The lounge room has cathedral ceilings, a slow combustion fireplace for those chilly nights & plenty of louvered glass to catch those ocean breezes. The kitchen is a chef's delight boasting stone bench tops & glass splashback, induction stovetop oven + steam oven, pantry & more. Through the library to the formal dining room where once again the clever use of glass brings the outside in. The upper level consists of the master suite with timber floorboards, walk-in robe, ensuite with spa bath & a private balcony.

Wide verandas join the home seamlessly with the grounds where there are several mature exotic fruit trees such as pecan, tamarind, tangerine & more. There is parking aplenty with a double garage underroof & a separate large shed just inside the imposing electric gates.

With too many other extras to mention arrange your inspection of this unique home today

Hervey Bay has probably the best climate in the world and beautiful winters, with private and public hospitals.
