104A Beach Road, Margate

Sold

This 2012 constructed 2 bedroom unit is located in a private location. Set well back off Beach Road and is around 300 metres to the foreshore of the Dru Point Reserve.

The combined open plan living and kitchen area is generous in size and offers plenty of storage space that will fit the largest of lounge suits along with many windows allowing plenty of natural sunlight to enter the home.

The reverse cycle heat pump will keep the home comfortable all year round. Both bedrooms have built in robes and would easily fit a queen size bed, the bathroom facilities are adjacent to both bedrooms.

An easily maintained level landscaped yard with vegetable garden and covered deck area are fantastic and there is still enough room for the children and a pet to play in the fully fenced rear yard. There is also plenty of off street parking available.

All tastefully decorated throughout and ready to move into as no money needs to be spent on this little beauty. If you are looking to invest or simply downsize/buy your 1st home then do not let this property slip you by.
