

## SELLICKS BEACH

Lot 2 Button Road

### Stunning Fleurieu Land 20 acres

Stunning vacant acreage with a view to take your breath away. Located in an elevated position but offering gently undulating land, this site is perfect for enjoying the fruits of your hard labour.

A site with similar views on the east coast within an hour of the city would be out of the question for most of us however this opportunity here is clear for all to see.

An architect inspired home could make the most of what is already an incredible view.

Just jump in the car and make the journey it could be the best decision you have ever made.

Water & power on the site.
