2/7 Tura Circuit, Tura Beach

Sold

Tura Circuit is located in the popular Tura Beach with a world class Golf Course and the iconic Sapphire Coast line.

This two bedroom property has a fantastic rental history, with great tenants in place.

Both bedrooms have built in robes, the bathroom has been upgraded from original, with separate W/C. Also on this level is a separate laundry with access to the private courtyard.

On the upper level is a good sized living combined with kitchen and dining. The kitchen has a well thought out cupboard space with pantry cupboard. The living areas on this level are warmed by a combustion wood fireplace and cooled by a ceiling fan. Along with the fan is the perfect coastal breeze coming through from the sliding doors, that lead to a balcony, displaying the eye-catching ocean view.

The complex provides a single lockable garage with the ability of an extra car parking space in front. The small complex of only 4 units, keeps outgoings to a minimal.

Along with the lower outgoings and healthy rental history, you have a great investment property with potential for first home buyer, downsizing and or investing.

Property ID: L1103231

Property Type: House

Garages: 1
