Wharf, nearby marina with yachts coming and going as well as an array of beautiful coastal islands.

The main house includes two spacious master suites with generous private terraces and two bedrooms with separate patios on the pool level. There is also a separate self contained two bedroom apartment adjacent to the outdoor entertaining areas.

The main living area features an elegant open plan layout incorporating kitchen, lounge with indoor-outdoor dining. The impressive grounds incorporate lush tropical gardens, a flood lit tennis court and luxurious pool.

Villa Hemingway is an ideal holiday home with excellent letting potential located within easy reach of everything magical that Port Douglas has to offer.

the location is the perfect base to explore the exceptional World Heritage areas of the Daintree and the Great Barrier Reef. Additionally, Cairns international airport is only an hour away via one of Australia's most scenic coastal routes.
