17 JOHNSTON ROAD, Mossman

Sold for \$220,000 (Jan 09, 2020)

17 Johnston Road is a great example of a traditional, highset Queenslander with many original features & charm. Built in 1936, this home has been enjoyed by its original owners & holds a lot of sentimental value.

High ceilings, hardwood timber floor, a large family kitchen at the rear & 2 central bedrooms.

Original casement windows throughout which with a bit of work, could be restored to their original condition. The enclosed verandah has become a great, usable area which could be a possible 3rd bedroom or why not open the verandah up again enjoy the mountain views & tropical breezes.

The paved area underneath the house provides plenty of room for storage, laundry or parking.

This large corner block (883m²) provides access from Owen Street, a stone's throw to every school, shop, cafe or restaurant you could need. The elevated position affords incredible views towards the Mossman Gorge & all the surrounding mountain ranges – just stunning.

POTENTIAL is an understatement here; if you love a Queenslander, you'd be crazy to miss this one.
