Delightful renovated terrace in a lifestyle heartland

Taking pride of place in one of the areas finest streets, this renovated terrace rests on a spacious block boasting dual street access and a sun drenching northerly to rear aspect. Timber floors, high ceilings and original fireplaces are a nod to its past adorning the separate living and dining. Adjoining is the very stylish stone topped gas kitchen providing space for a breakfast nook. A wall of bi-folds allows access to the alfresco terrace and spacious lock up parking.

Adding to its allure is the generous first level bedroom suites which include one with adjoining balcony and wall of robes the other is a dual level offering a fabulous loft retreat with versatile study or sitting area. Delightful extras include a sleek bathroom plus internal laundry. Stroll to Darlington's happening dining precinct, Sydney University, bus services, the rail and the Carriageworks fabulous weekend markets.
