Sweet As Sugar

Set on the high side of Worrigee, this property is high quality and low maintenance.

From the wide entry hall, with plenty of storage space, to the three spacious and separate living areas, you'll be hooked.

Chefs will love this open style, galley kitchen, as there is a five burner, natural gas cook top, electric oven, a dishwasher and plenty of cupboard space. The kitchen overlooks the tiled, combined family and dining area which flows onto the air conditioned rumpus area at the rear, or paved entertaining area at the side. There is the option of an additional lounge or theatre room as well.

There are three spacious double bedrooms, the master having a walk-in robe and ensuite, with built in robes to the other bedrooms and an additional room that can be used as a study or fourth bedroom, all with brand new carpets. The main bathroom has the added convenience of a separate toilet.

The rear garden is low maintenance and fully fenced with double gate, dual street access and a shed. The double garage has both remote control and internal access.
