8 Gemini Place, Orange

Sold for \$389,000 (Jun 27, 2019)

This home is best described as a hidden gem, at the end of a quiet leafy cul de sac location in North Orange. You are handy to many city facilities & can enjoy a walk into town or the Botanic Gardens. The makeover includes a new kitchen & bathroom, polished timber floor boards, new floor coverings, curtains and blinds & fresh paint. You will love the spacious light & inviting living areas with clerestory windows & raked ceilings. Large panoramic windows to the north allow for plenty of winter sunlight & 2 large living rooms are very flexible, providing many options for sitting and dining rooms & casual family living requirements. Three bedrooms enjoy easy access to the new bathroom, separate toilet & hallway linen cupboards. You'll be comfortable with ducted natural gas heating & infinity instant gas hot water. The craft room or studio opening onto the back garden provides for the home hobbyist, or extra living space. Enjoy an established colourful garden, with spaces for all seasons & pathways to your own compact farmyard, with a chook yard, aviary, fruit trees, vegetable garden, barbecue & water tanks. The garage size shed has power & lights & is ideal for many uses to suit your needs. This home presents in excellent condition, in a street where homes are rarely offered for sale. You'll just love to call it home.
