4646 Mitchell Highway, Lucknow Via, Orange

Sold for \$210,000 (Nov 13, 2020)

Situated on the Orange side of Lucknow, this semi rural lifestyle Building Block has Town Water, Sewer & Electricity at its front Boundary. It comprises road access to an elevated level home site, which provides great views out to the north, south & west of the holding, along Fredericks Valley & Summer Hill Creek, back to the City of Orange. You can build your dream home to take in the uninterrupted rural views & outlook, plus the sunny aspect & design themed gardens to suit. The kids can run some livestock or chooks & the holding also provides an area, for them to ride motorbikes, or horses. The holding has numerous established shade trees & shrubs, with plantings which also create privacy screening. With the views & elevation, you will not feel fenced in & you will also enjoy the spirit & atmosphere, of a close Community & Village living, giving you the good life.
