

MOUNT KELLY
Lot 3 Lena Road

MOUNT KELLY RURAL RESIDENTIAL

\$395,000 Neg

Fifty acres on Lena Road will give you the space to be in peaceful isolation and yet be in the sought after Mount Kelly community. There is room to build wherever the country views please and still be able to graze a few cattle or horses and maybe a chook pen for the family egg supply.

An electric pump on the Lower Burdekin Water channel can supply water for fruit trees or crops or run a lateral or centre pivot if required. The vendors have previously cultivated 8 acres of small crops for the market but have now retired and just tend to the beehives which nestle among the gum trees.

This property is only twenty minutes to town and minutes to Airville State School. This is an opportunity to break out of suburbia and live like everyone has the dream to achieve. Call today for more information or to arrange an inspection.
