EXECUTIVE COASTAL RETREAT

The presentation of this home has the WOW factor.

A brick home set on a roomy 1,000m² allotment this home will appeal as a family home and even cater for the grand children.

Featuring 4 bedrooms, all with built-in robes.

The home has versatility as its great asset.

Entering the home from the front door you are confronted by a very spacious living/dining area which is at least 56m² in floor area, heated by a cosy wood heater. The kitchen joinery is all solid Tas Oak, and the design enables those cooking to be part of the conversation with guests.

All bedrooms are large enough for double beds.

Along the front is a verandah and feature front picket fence. Along the rear is a deck which looks over the yard and garden through to the bay.

Two garden sheds, 4 water tanks approximately 12,000gallons in total and an outdoor pergola adorn the yard. There is more, a roomy converted garage into a rumpus/games room with bar and sink ideal for those large family gatherings.

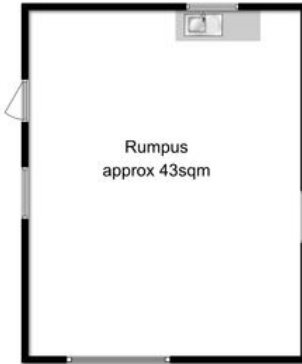

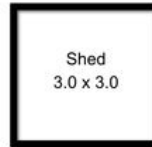

This home is beautifully presented and a must to inspect.
