'BLOSSOM ON THE BAY'

What a spectacular outlook from the elevated position looking out over the bay over the jetty.

This home has a special feel that can only be appreciated by inspecting.

This property is beautifully presented and is currently used as a popular Air B'n'B. The home features T&G flooring an expansive family kitchen with dining area and a very versatile lounge living area opening out onto an outdoor living deck. From this deck the view is spectacular.

Perhaps the words of a recent client better sum up the feel "fabulous place to base yourself to explore Tasman National Park, Blossoms on the Bay was peaceful, spacious with a stunning view. Their place was pure bliss if you can't find it here well you can't find it."

The home is tastefully decorated, giving the living area and bedrooms their own special atmosphere.

This property is close to native bushland and native animals may visit. Wallabies, bandicoots, potaroos, black cockatoos and an errant wombat are recent visitors.

This home can be available decorated and furnished.

You could be the proud owner of Blossom on the Bay.
