

PACKING A PUNCH WITH A FIST FULL OF FEATURES

32 Jupiter Street, Milang

Sold

Let me tell you there is not a lot this property doesn't have! Positioned on approximately 1350m2 and packed with features, this 4 bedroom, 2 bathroom home has been built as a forever home. The sizable floor plan has 2 large living spaces both overlooking beautiful outdoor entertaining areas.

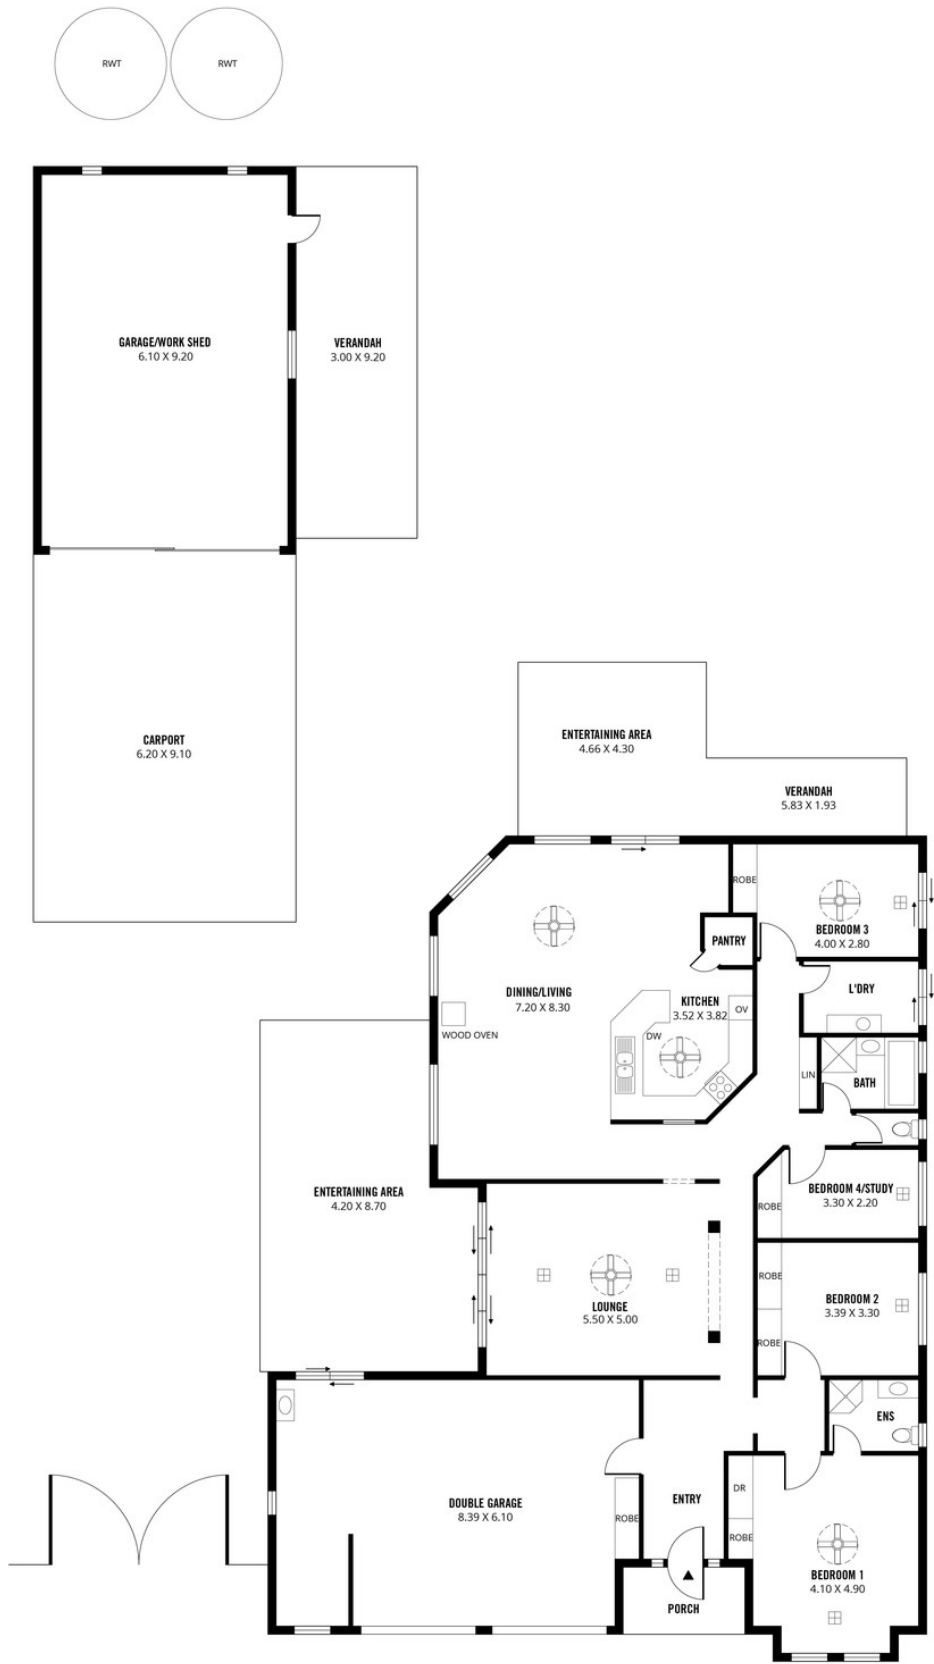

The beautifully presented home includes ducted reverse cycle a/c, modern lighting and a kitchen offering walk in pantry, dishwasher and ample cupboard and bench space. All four bedrooms include quality built in storage. It's the little things that stand out here, the neutral colour tones, the extra space in the garage under main roof for a workshop or storage area, the 7KW Solar system providing the current owners with no power bills, the slow combustion heating adding an ambient touch to the main living, 45,000L of plumbed rain water and enough undercover storage space for your boat, caravan, trailer and three cars, the list just simply goes on.

Perfect for the entertainer, the home has two modern pergolas, paved and surrounded by plants and garden. The rear yard overlooks open plains and wet lands as the post and wire back fence gives an open and rural feel to this residential allotment.

Ticking all the boxes, this one has nothing left to do but to simply enjoy!
