FAMILY HOME WITH SELF CONTAINED STUDIO

As new fully renovated family home in Caves Beach. Set high on the hill with views over our beautiful water ways, this home will tick all the boxes for a family looking to get settled in Caves before the summer and new school year begins. The owners have carried out a "BLOCK" style renovation on this home and have created modern, open and bright spaces. Consisting of two self contained areas. Upstairs are 3 good sized bedrooms all with built ins and ceiling fans, new carpet, blinds and freshly painted. Entertaining will be a pleasure in the brand new kitchen with quality inclusions which is open to 2 living areas. Freshly polished floorboards add the perfect finish to the upper level family area. Beautifully styled bathroom with freestanding bath and separate shower, and the laundry area round off the upstairs level.

The lower level has its own external entry and is a freshly renovated Studio style living space with its own bathroom/laundry. Perfect for a teenager wanting their own space, or as a separate guests retreat. This project has been a labour of love for the owners, and all care has been taken to deliver a home that appeals to a family wanting the Caves Beach lifestyle and to live in a well appointed modern home. Single garage and off street parking, and a separate storage shed is available. AVAILABLE NOW .. call to register your interest and arrange an inspection
