60 Russell Place, Williamstown

\$1.29m - \$1.39m

Once old, now new! The magical evolution of period to modern whilst maintaining the best of the adorable Victorian facade (c1890) is now complete. Fastidious selection of fittings for the ultimate quality, functionality and aesthetics has been the passion of the current owners. Of particular interest is the ingenious creation of a dining space that can convert from indoors to out in order to cover all seasons and occasions. Full height doors, a feature metal frame glass door and mood lighting add drama and flair, whilst split system heating and cooling, bathroom slab heating, polished concrete flooring and induction cooking are just a few of the must have luxuries. A side, paved lane provides access to the sunny, north facing back yard with room for parking and it's all within relaxed reach of Williamstown North Primary, train station and central shops.

Property ID: L602593

Property Type: House

Open Parking: 1
