

VALUABLE PIECE of HISTORY!

2264 Murringo Road, Murringo

Sold for \$175,000 (Jul 28, 2020)

A rare opportunity exists to purchase a property in the rustic village of Murringo. Formerly a shop but now converted into a private residence, it is set on a 2,023 sqm block. This property includes a spacious 4 bedroom home; a separate original brick bakery or studio room; a huge shed/workshop; solar panels plus a bore. Among its many features are a massive living room with original open fireplace and cellar; the kitchen has a stainless steel oven and original Canberra Metters fuel stove; separate dining room; main bedroom with an ensuite and built-in wardrobes; tidy bathroom with separate toilet and a family room with a wood heater and split system air-conditioner opening onto a timber deck. The separate brick cottage would make a great art studio, home gym or private retreat, while the huge shed has a flued wood heater and plenty of shelving plus a small side room to lock things away. A greenhouse is built at the side of the shed while the backyard has plenty of room to spare.
